OFFICE OF LEGISLATIVE COUNSEL

Monday - 20 February 1967

1. [] After checking on []
[] in the Office of Security and ascertaining
that we have no record on him, I called Miss Esther Dukov in the
office of Congressman Gerald Ford (R., Mich.) and suggested that
she put [] in touch with [] Miss Dukov agreed
that this would probably be the best procedure inasmuch as []
story is extremely fuzzy and it is not even certain whether he wants
to see someone from CIA or DIA.

3. [] Frank McNamara, Staff Director,
House Committee on Un-American Activities, called and asked if
we could provide him with a copy of the pamphlet entitled "The
Youth Fronts, 1946 - 1966," which had been shown to Ed O'Brien
of the St. Louis Globe Dispatch as background for his story. McNamara
wanted the pamphlet as reference work to be held in their files. I
obtained a copy through [] CA Staff, and shall deliver it
to McNamara.

McNamara also inquired whether we could supply the address
of [] whom he is trying to locate. McNamara said he had inquired
from the FBI but that [] had left the last known address the Bureau
has and left no forwarding address. []
